The Missisquoi Museum is a one-of-a-kind institution in the border region of the old County of Missisquoi and the only accredited museum in the MRC Brome-Missisquoi. All year long, it offers activities and services that highlight different facets of the history and heritage of our region.

For its funding, the Missisquoi Museum depends on grants from the Government of Quebec, membership fees, and particularly on donations from people like you. Your donations help the Missisquoi Museum to maintain and expand its programming, and we are very grateful for your support. A tax receipt will be issued for all donations of \$20 or more. You can donate by cheque or by VISA or MasterCard.
